% rating “very important” or “essential”

Forty-two percent aspire to make a theoretical contribution to science.
Fifty-six percent aspire to become successful in a business of their own.
Seventy percent aspire to become an authority in their field.
Seventy-seven percent aspire to be very well off financially.

THE TRANSFER STUDENT SURVEY
The UCLA Transfer Student Survey focuses on incoming UCLA transfer students. It was administered online during the summer and fall quarters of 2011. The survey is conducted every two years and provides a snapshot of transfers prior to having had much experience at UCLA. For more information about the survey and the instrument, visit www.sairo.ucla.edu/data/efforts_transfer.html.
FINANCES AND WORK

CONCERN ABOUT FINANCING COLLEGE EDUCATION
